Dear Carl Weschke,

It was indeed a surprise to hear from you, and glad that you are taking a constructive step to help. May the Blessings of the Great Ones help and reward you; the craft in General seems to be hell-bent on destroying itself, what there is left.

No I have not heard of the craft Publications, I loaned all my copies out and at the moment havnt one about the craft or Magick in general. I still have 2 of the ones you sent me.

The young lady went out to British
